## CREDIT CARD AUTHORIZATION & BILLING INFORMATION

For your protection, please read this form carefully, then sign and return either in person, by mail, email or fax. Billing for your RV rental will occur as follows, unless other arrangements have been made:

1. After we've received your reservation request and determined with you by phone which Vehicle is best suited to your needs, we will send you a Rental Agreement contract indicating all charges for your rental, which you will need to sign. Refer to the Policies and Procedures section for more information about securing insurance for your Vehicle.
2. When we receive a signed copy of the Agreed Rates contract, your credit card will be charged a \$750 down payment toward your rental fees. This confirms your reservation, making any ensuing cancellations subject to the Cancellation Policy (see Policies and Procedures).
3. 30 days prior to your scheduled departure date, your credit card will be charged the balance of the rental fee per the Agreed Rates Contract.
4. Within 7 days prior to your scheduled departure, the card on file will be processed for:
  - i. Authorization of \$1,000 for the security deposit to cover against damages, or charges described in the RV Policies & Procedures.
  - ii. Insurance arranged by Suncoast through MBA Insurance unless a binder of coverage acceptable to Suncoast's insurance carrier has been provided by you 7 days prior to departure (refer to rental Policies & Procedures).
5. Cardholder specifically permits Suncoast to charge credit card below for any additional charges and/or damages not covered by insurance upon return of the vehicle as stated in the RV Policies & Procedures and Terms and Conditions.

## RV RENTAL POLICIES AND PROCEDURES

Suncoast RV Rental (hereafter "Suncoast") thanks you for your interest in our company. This Reservation Policy Statement describes many of the policies associated with renting a motor home ("Vehicle"). **Please acknowledge that you have read and understand the following:**

Signature \_\_\_\_\_ Date \_\_\_\_\_

**The renter** is responsible for returning the vehicle in the same condition as when departed.

### Vehicle Orientation:

An in-person Equipment Review & Orientation will be provided to familiarize you with Vehicle operations. This orientation usually takes about an hour. All Vehicles are equipped with dining, sleeping accommodations, cabinets, closets, stored fresh water, kitchen, bathroom, sinks, shower, flush toilets, water and waste holding tanks, generator, range, refrigerator, furnace, air conditioner, power steering, automatic transmissions, AM/FM stereo. Some units may be equipped with Television, DVD/VCR, Satellite and other amenities. Suncoast does not guarantee your ability to receive a signal at your destination.

### Insurance:

Insurance is required on all rentals. Suncoast will arranged for this protection on your behalf through MBA Insurance, a specialized RV rental insurer. The cost of this ranges from \$21 - \$35/day depending on vehicle value plus a \$10 admin fee. You have a CHOICE to provide coverage through your personal carrier by providing a "Binder" acceptable to Suncoast and its insurance carrier, stating that Suncoast and respective vehicle owner additional insurance is to be provided at least 7 days prior to departure to allow time for approval by Suncoast's carrier. To reduce your damage deductible exposure, a collision damage waiver is available.

### Departures and Returns:

**Departures** are by appointment on weekdays between 9:00 AM and 12:00 PM and by Noon on Saturdays. Off-hour arrangements can be made at an additional cost.

**Returns** are due back by 12:00 PM on the scheduled return date. Returns after 12:00 PM but before 5:00 PM will be charged an additional 1/2 day rental, while returns after 5:00 PM will be charged for an additional full day.

**Late fees** for scheduled pick-up and drop-off appointments start after 45 minutes and are \$50.00/hr thereafter. If you are going to be late for your scheduled pick-up or return, call us as soon as you know and we will make every reasonable effort to accommodate you. Clients departing or returning on time will be given first priority.

If you return early, please note that Suncoast does not issue refunds for unused "rental days", however, if you didn't use all of your estimated miles, you may be refunded for unused mileage (at Suncoast's discretion). Suncoast allows up to 14 days for post check-in processing. Upon your return an in-depth inspection will be performed, followed by a more detailed inspection within 3 days, to determin if any damage occured during the rental period.

**Start-Up Kit** is included on all rentals at a cost of \$95. And includes: up to 1 hour orientation of vehicle and house-system; complimentary driving lesson, if requested; toilet tissue, holding tank treatment and top off propane and fresh water reserve.

**Generator Use:**

We offer 6 hours complimentary generator usage per rental night. Each additional hour is \$3. For those plugging in at a campsite, this should be more than adequate.

**Cleaning:**

The Vehicle you rent must be returned in a clean, rentable condition. If you return the Vehicle in a condition substantially less clean than when you rented it (at the discretion of "Suncoast"), you will be charged an additional cleaning fee not to exceed \$350.

**Fuel & Propane Tanks:**

Gas tanks and propane reserves will be full upon departure. To avoid re-fueling charges of \$5.00/gal as well as a \$25.00 technician fee, please return the Vehicle full of fuel and propane.

**Waste Disposal:**

Wastewater & sewage tanks will be emptied when you pick up your Vehicle. Waste Disposal services (on the Amenities Form) are available for \$49.90. With this service, Suncoast will evacuate the tanks for you. If you do not opt for Waste Disposal services (because you prefer to empty the tanks on your own), but subsequently fail to empty the tanks to Suncoast's satisfaction before returning the Vehicle, you will be charged \$100 for our waste disposal services.

**Housekeeping and Supplies:**

Housekeeping kits are available for rent, including bedding, towels, kitchen place settings, and cooking utensils. Items missing upon the vehicle's return will be charged for accordingly.

**Smoking:**

Smoking is strictly prohibited in the Vehicle. Any evidence of smoking, whether the smell of smoke, or the presence of ashes or butts, will result in the forfeiture of \$350 from your authorized security deposit in addition to other relevant charges in the Agreed contract.

**Rescheduling/Cancellation:**

When you reserve a vehicle, we remove it from our available fleet. For that reason, we incur a large cost when you need to cancel or adjust your plans. So, if you need to adjust your plans, please contact us as soon as possible so we can make the necessary arrangements.

If you need to cancel your reservation, it will need to be done in writing. If you cancel more than 60 days before your scheduled departure date you'll be charged a \$100 processing fee and provided a refund of other payments made. If you cancel 30-60 days before your scheduled departure, you will incur a \$250 processing fee. Cancellations that occur within 30 days of the scheduled departure date are non-refundable, although payments made less the \$250 processing fee, may be applied towards a future trip with Suncoast within one year, depending on motor home availability.

**Refunds:**

All refunds and adjustments are at the discretion of Suncoast RV and are limited to the base daily rental of the contract.

Should the vehicle become inoperable, refunds are limited to the base daily rental of each day the rental is inoperable not to exceed the term of the contract.

**Legal Fees:**

Should it be necessary for either party to engage legal services or file suit, the prevailing party shall be entitled to recover all legal and related expenses. This Agreement will be governed by the laws of the State of Florida, and adjudicated in Hillsborough County, Florida.
